

Partner referral rates Quantumrun Foresight Platform

The following table outlines the 2023 referral rates for any platform subscription generated through Quantumrun Foresight's partner network.

These rates allow for fair compensation to referral partners with sufficient margin to affordably provide high-quality service to the end clients of the [Quantumrun Foresight Platform](#).

Access the platform [pricing page here](#).

Subscription level	Annual price	Referral	Per subscription referral (USD)
Trend Researcher	\$60	25%	\$15.00
Pro	\$600	20%	\$120.00
Business	\$5,088	15%	\$763.20
Enterprise	\$21,588	10% *	\$2,158.80
Enterprise+ services	Negotiated	10%	10% under 50k + 5% above 50k
Consulting engagements	Negotiated	10%	10% under 50k + 5% above 50k

Notes

- All amounts are in USD.
- No taxes applied to clients outside of Canada.
- Payments can be processed through Wise, PayPal, or bank wire transfer.

Referral bonus

- The second Enterprise subscription referral generated for a company **in the same industry** will result in a 15% referral.
- The third Enterprise subscription referral generated for a company **in the same industry** will result in a 20% referral. This same 20% rate will remain for all consecutive referrals for companies in the same industry.
- Finally, if you sell and close any platform subscription on Quantumrun's behalf—e.g., you complete the sale with your client and you collect the funds—you will receive a 10% bonus. Does not apply to renewals. In this scenario, Quantumrun will invoice you directly to collect the client funds.
