

Partner referral commission rates Quantumrun Foresight Platform

The following table outlines the 2023 referral commission rates for any platform subscription generated through Quantumrun Foresight's partner network.

These rates allow for fair compensation to referral partners with sufficient margin to affordably provide high-quality service to the end clients of the [Quantumrun Foresight Platform](#).

Access the platform [pricing page here](#).

Subscription	Annual price	Commission	Referral (USD)	Renewal
Trend Researcher	\$60	50%	\$30.00	25%
Pro	\$600	50%	\$300.00	25%
Business	\$5,088	50%	\$2,544.00	15%
Enterprise	\$16,788	10% *	\$1,678.00	10%
Enterprise+ services	Negotiated	10%	10% under 50k + 5% above 50k	10%
Consulting engagements	Negotiated	10%	10% under 50k + 5% above 50k	10%

Notes

- All amounts are in USD.
- No taxes applied to clients outside of Canada.
- Payments can be processed through Wise, PayPal, or bank wire transfer.
- Renewals commissions will be ongoing and paid monthly or annually, based on each client's subscription payment term.
- *Initial commission rate applies to the first monthly or annual subscription purchase only. Subsequent purchases (i.e., annual renewals or subscription month #2 and onwards) are defaulted to the lower renewal commission rates.*

Referral bonus

- The second Enterprise subscription referral generated for a company **in the same industry** will result in a 15% referral.

- The third Enterprise subscription referral generated for a company **in the same industry** will result in a 20% referral. This same 20% rate will remain for all consecutive referrals for companies in the same industry.
- Finally, if you sell and close any Business or Enterprise platform subscription on Quantumrun's behalf—e.g., you complete the sale with your client, and you collect the funds—you will receive a 10% bonus. Does not apply to renewals. In this scenario, Quantumrun will invoice you directly to collect the client funds.
